SCHOOL COUNCIL NOMINATIONS

Dear Parents,

The legislation around the new School Council Guidelines indicates that membership on the School Council is determined by nomination and a voting process.

Each position is held initially for two years. In light of this, our current members who have served a two-year term are required to be nominated if they wish to be considered for election by the wider parent body. School Council members provide an important parent voice and support to the leadership of the school in areas of learning, wellbeing and faith.

We strongly urge you to give serious consideration to accepting a nomination as your voice and support is valued and necessary. An induction process will be undertaken with successful nominees.

The person who has been nominated must sign the form accepting nomination. Nominations can be left at the office or scanned and emailed by the 15th October and the whole school voting process for the parent body will occur after final nominations have been accepted.

If you would like to discuss nomination or peruse a copy of the School Council Guidelines, please contact us at school.

Regards,

Megan Masterson and Kayelene Gleeson
